

Technical File

Art. E-2/15

DESCRIPTION

Welding glove with cowhide palm and grey split leather back with long cuff.
Perfectly suited for TIG welding.
This glove protects against exposure to high temperatures and other types of thermal and mechanical risks, while maintaining user comfort.

CHARACTERISTICS

- cowhide palm
- grey split leather back
- 15 cm cuff with pulse protection
- fingertips reinforced with piping
- wing thumb
- design allowing quick removal
- colour: natural grey

SIZES

Only available in size 10

APPLICATIONS

In an environment with thermal risks.
Glove used for work in sectors such as:

- steel industry / metallurgy
- industry
- work near ovens
- welding

MAINTENANCE - STORAGE

- heavily damaged gloves will affect level of protection and should be replaced
- in the original package in a well-ventilated area away from extreme temperatures

PRACTICAL INFORMATION

Packed per 12 pairs in a carton of 120 pairs

CERTIFICATIONS

CAT II
